

EFFECTIVE TRANSITION TO ISO 45001:2018

A PRO-ACTIVE HEALTH & SAFETY POLICY BRINGS COMPANIES TO A HIGHER LEVEL OF SAFETY AND BUSINESS. THE NEW ISO 45001 STANDARD TAKES A STRATEGIC APPROACH, AND BRINGS IN A NUMBER OF NEW CONCEPTS SUCH AS LEADERSHIP, CONTINUOUS IMPROVEMENT AND STAKEHOLDER MANAGEMENT.

INTRODUCTION

Do you consider an implementation of ISO 45001 as proof of your pro-active health & safety policy?

TOP is your partner in taking the right steps and making the right choices, where we optimally make use of existing parts of your management system. The heart of ISO 45001 lies in visible leadership and workers participation.

“SAFETY IS SOMETHING THAT HAPPENS BETWEEN YOUR EARS, NOT SOMETHING YOU HOLD IN YOUR HANDS” - Jeff Cooper.

YOUR SITUATION DICTATES OUR APPROACH

Depening on your situation and business strategy, we chose the optimal approach in order to realize impact:

- You are ISO 9001:2015 or ISO 14001:2015 certified and wish to expand with ISO 45001:2018;
- You are OHSAS 18001:2007 certified and wish to migrate to ISO 45001:2018;
- You do not hold ISO 9001, ISO 14001 or OHSAS 18001 certification and wishes to implement ISO 45001:2018.

OUR DELIVERABLES

- We execute and report a gap analysis, whereafter we report the findings and necessary actions in an easy to read and clear report.
- We help and guide you towards succesfull certification.

SUITABLE ADDITIONAL SERVICES

- TOP training ‘ISO 45001: Interpretation & Application’;
- Review of your Risk Assessments and degree of effective implementation in your management system.
- Up to date (international) legal registers (multiple countries possible), based on the hazard catagories in your Risk Assessment.
