

## TRAINING

### STANDARD OR CUSTOMIZED

WITH A PROVEN TRACK RECORD, TOP CAN RELY ON YEARS OF EXPERIENCE IN INTERNATIONAL TRAINING, COACHING AND GUIDING ORGANIZATIONS AND THEIR PEOPLE TO EXCELLENT PERFORMANCES. DEALING WITH CULTURES AND TRAIN IN THE CONTEXT OF LEADERSHIP, COMMUNICATION AND PROCESS MANAGEMENT IS ONE OF OUR SPECIALIZATIONS.

#### INTRODUCTION

Our trainers and consultants are well educated and experienced to train all organizational levels.

TOP's training-approach focusses on result and effect. We build on global studies and proven experience. We believe strongly in learning by doing through active workshops and reflection. This means that our training courses contain limited information/ theory and further we use practical workshops to gain experience in insight among the participants.

A healthy combination and variety of training methods will keep the learner activated. It will also have a significant influence on the reproduction of knowledge and independence of the learner after the training, in a positive way.

"I HEAR AND I FORGET.

I SEE AND I REMEMBER.

I DO AND I UNDERSTAND".
